Celebrating 20 years of building excellence

Parsons Construction Services is proud to celebrate its 20th anniversary this year! PC Services was founded in 1985 by Steven Parsons, a plasterer by trade, since then the company has enjoyed continued growth through its expanding range of quality services its offers and strength of reputation.

PC Services has secured its position as a one-stop-shop for specialist interior and exterior solutions. They maintain a flexible and innovative approach to their work ensuring that they meet the requirements of both the contractor and architect to the highest standard. PC Services has worked across all industry sectors including healthcare, education, the public sector, leisure, commercial and residential and are proud to have worked with leading industry players such as Warings, Sunley Homes, Gleeson and ROKBUILD.

PC Services are licensed applicators of leading manufacturer's products in the including Metsec and Sto, which are accolades held in high regard in the industry. They were also awarded the ISO 9000:2001 accreditation in 2003 in recognition of their high standards of Quality Management Systems and procedures. Steven believes that they key to PC Services' success has been through "hard work and a good reputation" both locally and nationally.

The company has become a founder member of the Parsons Group which also incorporates PC Flooring, PC Developments, Rockbourne Homes and SCAIL Ltd.
